and vitamins

MAGISNAT
The science behind the natural molecules and the Mediterranean diet

www.magisnat.com

COMPANY PROFILE

MAGISNAT has proven to be the **first company in the world** to **focus** its **research** and **products** on **natural molecules** derived from **plants typical of the Mediterranean diet**.

In addition, **MAGISNAT** uses **omics approaches**, such as **genomics**, **metabolomics** and **microbiomics** to **highlight** any **altered functions of the body** and subsequently **personalize the diet** with its **own dietary supplements***.

The **Mediterranean diet** is rich in **olive oil**, **fruits** and **vegetables** that contain **polyphenols**.

The **typical foods** of the **Mediterranean diet** contain **substances** which help **maintain** an optimal **state of health** and **restore** the **physiological balance of the organism**.

Our mission is:

- to **study natural substances** extracted from **typical plants of the Mediterranean diet**, which have shown **beneficial effects on the human body**;
- uses **omics approaches** to **highlight** any **altered functions** of the **body**;
- **personalize** the **diet** with its **own dietary supplements***.

Maximum dosage: 1 tablet per day in total.

When using this product*, **do not exceed the recommended dose**.

IMMUNE SYSTEM TABLETS

HYDROXYTYROSOL

Hydroxytyrosol is an **olive tree polyphenol** and one of the **most potent antioxidants** in the world.

It is found mainly in the olive tree, a typical Mediterranean plant.

Hydroxytyrosol, easily orally absorbed (it reaches the bloodstream in 15 or 20 minutes) and there are **no problems** with **accumulation or toxicity** (it is eliminated through the kidneys or digestive system about 6-8 hours after its absorption).

MORE POLYPHENOLS IN 1 TABLET THAN IN ½ LITER OF OLIVE OIL **

Hydroxytyrosol, the olive tree's most abundant polyphenol, is present in Dr. Matteo Bertelli's® Immune System Tablets* **at high dosage**.

Polyphenols from olive tree, a typical plant of the Mediterranean diet, provide a broad range of **beneficial effects** against **age-related diseases, metabolic syndrome, brain disorders** and **cardiovascular diseases**.**

OLIVE POLYPHENOLS CONTENT:

IMMUNE SYSTEM TABLETS

OLIVE LEAF AND OLIVE FRUIT EXTRACTS

BOLSTER THE IMMUNE SYSTEM*: olive polyphenols are shown to be potent immunity boosters.*

SUPPORT CARDIOVASCULAR HEALTH*: olive polyphenols have been shown to encourage healthy cardiovascular function by supporting healthy cholesterol levels as well as artery health & function.*

ARE POTENT ANTIOXIDANTS*: hydroxytyrosol is one of the most potent antioxidants discovered in nature.*

SUPPORT BRAIN HEALTH*: hydroxytyrosol has been shown to exhibit neuro-protective properties.*

HAVE EFFECTS ON MICROBES*: hydroxytyrosol and olive polyphenols have effects on bacteria, fungi and viruses. Their intake also affects the microbiota, microorganisms present in the human body.*

HYDROXYTYROSOL *The most potent antioxidant*
