

OMICS MACHINE

A model to analyze, at a multiomic level, the main metabolic pathways of our body, identify deficiencies and vulnerabilities, suggest personalized supplementation, and monitor the results.

Note: Biochemical pathways of the organism involving genes, metabolites, and proteins. Expand the scope of your interest or search within individual products to identify the relevant pathways.

Dr. Matteo Bertelli's Bones & Muscles

Active Ingredients: Vitamin D3, Resveratrol, Polydatin

Dr. Matteo Bertelli's Iron Absorption Boost

Active Ingredients: Vitamin C, Iron, Nettle Root Extract
